

Main Street 4.5 Collection

The Main Street Collection from Evoke is available in three specifications, each style using the same classic wood visuals. Choose the right option to meet your budget, installation, and maintenance needs.

Main Street 4.5 offers the ultimate in design flexibility, comfort underfoot, ease of installation or repair, and is acoustically superior as compared to typical luxury vinyl. Eliminates the need for transitions to other floors of similar height, and is extremely stable, making it very wheelchair friendly. Main Street 4.5 is suitable for residential or heavy-duty commercial applications.
