Introducing Evoke.

Flooring that can take it.

Murray

evoke®

Opening Night

Luxury Vinyl

Get that realistic wood feel in curated designs—every plank "naturally" perfect.

Find the perfect look with one of our most comfortable and versatile flooring options. Evoke Luxury Vinyl has a realistic wood appearance and offers extreme durability and design flexibility.

Luxury vinyl can be installed seamlessly with carpet or tile, or laid out in a herringbone pattern for a more elegant look. If you need flooring in a hurry, luxury vinyl's palette of designer colours are ready to go right away.

Rigid Core

Unmatched durability for everyday use.

Enjoy the ease of a click together installation system in a waterproof vinyl. With multiple textures, colors and plank size options, Evoke Rigid Core offers a world of design possibilities.

Thanks to a superior stain and scratch-resistant surface, as well as a vinyl composite core, Rigid Core will stand up to everyday wear for years to come.

Archer

Laminate

Sophisticated look. Easy installation.

Evolve's Laminate flooring offers the sophisticated look of hardwood with the durability to match life's demands. Built on a robust wood composite core with water-resistant and waterproof options, these floors stand up to spills, splashes, and on-the-go living.

The click-together installation system makes projects fast and hassle-free, while superior resistance to scratches, stains, and abrasion keeps your floors looking their best—even in pet-friendly homes.

Meet Evoke's hard-wearing line of Laminate, Luxury Vinyl, and Rigid Core floors.

Stylish, durable and budget-friendly, Evoke is ideal for residential, commercial, and public sector spaces exposed to high traffic, pets, moisture and anything else you can throw at it.

Crafted with Conscience

Evoke flooring is produced by Metropolitan Floors Inc., a manufacturer, distributor, and flooring industry leader in environmental compliance for over 30 years.

Evoke floors undergo rigorous indoor air quality testing as a component of Metropolitan's Clean Floors quality assurance and environmental compliance program. All Evoke floors are CA Section 01350 compliant, the standard utilized by LEED to recognize contributions to good indoor air quality.

Ready to experience Evoke?

From commercial space to living space, Evoke flooring elevates any place.

Larimer

Three categories of flooring. Hundreds of applications.
